Abortion Services in Queensland

Children by Choice provides counselling and information about all options with an unplanned pregnancy. Counsellors can answer questions about abortion, and can provide detailed information about the abortion procedures, to assist clients in decision-making and in giving informed consent. Abortion is available legally throughout Queensland, mostly in private clinics which are subject to regulations from Queensland Health. All abortions are provided at the Doctor's discretion. It is usually advised to access a surgical abortion between 6 and 12 weeks, or a medical abortion between 5 and 7 weeks. For further information please contact Children by Choice.

COSTS

The cost of an abortion varies between clinics and locations. Before 12 weeks, costs for Medicare card-holders range from \$350 - \$450 in Brisbane, \$550 - \$650 in Rockhampton and Townsville, and \$832 in Cairns (\$263.50 rebate available in Cairns, however other clinics automatically deduct Medicare rebate). Non-Medicare card-holders may pay \$750-\$1100 prior to 12 weeks. Some clinics offer concessions for pension or healthcare card holders. Prices increase steadily up to 16 weeks (\$400-\$1000 with Medicare) and very steeply from 16 weeks to 20 weeks (an additional \$500 to \$1500 each week). An abortion at 20 weeks may cost over \$3000.
